

## **Office hours with Prof. Dr. Thomas G. Kirsch**

During the semester: Wednesday 9:00 - 11:00

Outside of the lecture period: By appointment via email

**Office hours will be held online until further notice. For office hours with Prof. Dr. Thomas Kirsch please take note of the following steps:**

- Book an appointment at <https://calendly.com/thomaskirsch/sprechstunde>. Usually 15 minutes are sufficient, for basic discussions of BA oder MA theses 30 minutes are recommended (in the latter cas you will have to reserve two slots of 15 minutes each).
  
- Please send me an email two to three days before the consultation with detailed information about what our conversation should be about. The more prior knowledge I have, the better I can advise you.
  
- At the appointment: Enter my Zoom office at the agreed time: [zoom.us/my/thomaskirsch](https://zoom.us/my/thomaskirsch). If I am still in the conversation, I will move you briefly to the waiting room if necessary.
